

## Family Readiness Program

### ***Welcome Aboard Message from the CLR-37 Family Readiness Officer***

Hai Sai (Welcome),

On behalf of the Commanding Officer, I would like to take this opportunity to welcome you and/or your family to Combat Logistics Regiment 37 (CLR-37). My name is Mrs. Salina McBride, and I am your Family Readiness Officer. My team and I are available to assist you and your family in all areas of information, referral, resource, morale and readiness while in Okinawa, Japan; to include any subsequent deployments.

Relocating to Okinawa is an opportunity like no other. We understand that you may have questions and/or concerns regarding your move, therefore, a unit sponsor has been selected to help you and your family navigate the relocation process. Your sponsor should be contacting you within the next few weeks. Know that we are here to provide a helping hand along the way to ensure a smooth transition to Okinawa.

During your transition, if you would like relocation information to Okinawa, feel free to visit the 3d Marine Logistics Group website at <http://www.marines.mil/unit/3rdlogistics/Pages/incoming.aspx>. The site contains additional resources and links associated with CLR-37. In addition, an electronic Welcome Aboard Package can be located at: <http://www.mccsokinawa.com/mccs.asp?id=728>.

Until we meet, all of my contact information is available below. Know that my team and I are here to answer any questions you might have before, during, and after your tour in Okinawa is complete. My office is here to ensure we are “***Taking Care of Our Most Important Resources;***” which are our Marines, Sailors, and their families.

On that note, I bid safe travels to you and your family and look forward to meeting you upon your arrival!

*Salina P. McBride*
